

Application No.: 10/648,849
Filing Date: August 22, 2003

SUMMARY OF INTERVIEW

Attendees, Date and Type of Interview

The personal interview was conducted on May 23, 2011 and attended by Examiners Patricia Mallari and Christian Jang, and Applicants' representatives Laura Johnson and Kaare Larson.

Exhibits and/or Demonstrations

None.

Identification of Claims Discussed

Claim 122.

Identification of Prior Art Discussed

None.

Principal Arguments and Other Matters

Applicants' representatives asserted that the 112 rejection should be withdrawn because the specification does not indicate that converting the signal to another form is an essential step. Applicants' representatives identified paragraph [0027] of the published application in support.

Results of Interview

The Examiners agreed to consider Applicants' arguments when submitted in response to the pending Office Action.
